* Due to smaller Summer Enrollment due to vacations and such, we are able to offer less classes such as Lyrical, Hip Hop, and other recreational classes. Therefore we are not able to offer the deep discounts on additional hours of dance over 1hour as we

do during the fall schedule. We have still included a discount on the classes that are longer than 1hour. For example, following our hourly rate for Summer a class that is 2 and 1/2 hours would be \$150.00 and we are offering it for \$106.00 to help dancers be able to attend Summer dance. Thank you so much for your understanding.
